

Cook Favored in Sunday Classic At Gardena Track

Jim Cook, Norwalk will be after his second win in a row this Sunday afternoon, in the ten event, CJA Stock Car races at Gardena's Western Speedway.

Cook switched to a Dodge for the stocks last outing two weeks ago, and won easily over the fifty car field. Previously he had driven Oldsmobiles, winning two features at the start of the year. But for the last two months he had tasted defeat at the hands of "Wild Bill Foster" of San Fernando, who also handles Oldsmobiles. The switch in mounts made the difference and Cook came home the winner.

COMPETITION

This Sunday, Cook will come up against stiff competition including Bill Foster with four wins, Marvin Henis, Sylmar, with one main event win; Dick Cook, Lakewood, 1960 Champion; and Arley Scranton, Compton, one lap track record holder, and second in 1960 points. Racing begins at 2:30 p.m. preceded by time trials at 1 p.m.

Other drivers entered include: Gabby Garrison, Long Beach; Dave Hubert, Huntington Park; Jimmy Jack, San Fernando; Bing Warner, Artesia; Cliff Fagot, Torrance; Conney Burdett, Glendale; Dick Rogers, Burbank; Bill St. James, Gardena; Don Haryman, Los Angeles; Oren Prosser, San Fernando; Angle Solis, San Fernando; Tommy Casteal, Torrance; and Lamar Anderson, Manhattan Beach.

Western Speedway is located at 139th St. and S. Western Avenue just off the Harbor Freeway at Rosecrans Blvd.

Officials Will Attend Opening Of New BB Park

Ceremonies marking the official dedication and opening of the new Daniels Field Team Building, 845 West 12th Street, San Pedro, will be staged at the municipal facility at 7:30 p.m. Tuesday, May 2. It was reported yesterday by the Los Angeles City Recreation and Park Department.

Councilman John S. Gibson Jr., who represents the 15th District, in which Daniels Field is located; Frode B. Kilstafte, member of the City Recreation and Park Commission and prominent Harbor-area businessman and civic leader; George Hjelte, general manager of the Recreation and Park Department; and community organizations and civic leaders will participate in the May 9 ceremonies.

2-STORY

The new two-story-high brick structure is 32 feet wide and 92 feet long and was constructed at a cost of \$83,484 by the Drevs Construction Company, Lomita, with financing under provisions of the City's recreation and park bond fund.

The architectural firm of James Stewart and Associates, San Pedro, prepared the plans for Daniels Field Team Building, whose facilities include a recreation directors' office and conference room on the second floor, and two team rooms equipped with showers, lockers, and sanitary conveniences on the ground floor.

Daniels Field is a major sports field which serves the entire Harbor area.
